

IBRA KHALID LONDANG

INFORMATICS ENGINEERING

ABOUT ME

Hi! I'm Ibra Khalid Londang, a second-semester student at the State Polytechnic of Lhokseumawe. I have experience in customer service, entrepreneurship in the food industry, and have completed an internship program at a state-owned enterprise (BUMN). I have a strong interest in web development, design, and network security, and I am continuously improving my skills in these areas.
